

Please see instruction on making payments online

Search RCT pay it . A link should display school dinner money- click on the link which should take you to the following page.

School dinner money

You can pay for your child's school meals online, choosing to register an account on our payment system or if you prefer you can pay without registering.

What are the benefits of registering an account to pay online?

- Convenience
- You can save your child's dinner money reference to your homepage avoiding having to enter it each time you pay
- Access to 'My Payment History' to view receipt information for payments made using your registered account
- Access to 'My Account', giving you the option to securely store your card details

Each pupil has their own 10 digit school meals reference number, you can **contact your child's school** to request this number.

If your child changes school their reference number will also change.

To find your school dinner money balance please contact the school.

MAKE A PAYMENT

Click the make Payment button

Once you have clicked the make payment button, the below screen will be displayed.
